Hub of Charitable Activity

It's always a busy place around Global, but **Friday, April 18th was a day to remember!**

Throughout the day, no less than three separate distribution programs were going on, attracting hundreds of local people and many different non-

profit agencies. This Good Friday was certainly a flurry activity which involved:

- ▶ Our weekly food distribution, in partnership with Pressing On Christian Fellowship (*providing food for hundreds of the neediest in our area*)
- ▶ Our monthly “Gifts-in-Kind” distribution in partnership with Orange County Partnership (*providing products for over 50 direct service providing agencies throughout the County*)
- ▶ And a used clothing ‘sale’ with our partner Canning Hunger

Hundreds of needy people, throughout Orange County received help and hope on that busy Friday!

As part of our attempt to raise funds for aid to Iraq, Afghanistan and other troubled regions, Global is co-sponsoring a Golf Marathon with our friends at Canning Hunger. Our home-grown Tiger Woods wannabes will be playing 100 holes each to help sponsor help for the world's needy. You can be a part of this by helping to sponsor one of our participants. Please email Scott McClelland at scottmc@global.com to indicate your support for our team! Your contribution will help us further the work of Global in a significant way. Please email or call today!

Yes, That's Global on TV!

The humanitarian aid crisis in Iraq brought the TV crews to Global's headquarters on April 7th. Reporters from

- KABC-TV (Channel 7)**
- KMEX-TV (Spanish)**
- KOCE-TV (Orange County)**
- and CNN**

descended on us with questions regarding Global's role in sending aid to the devastated people of Iraq. We are still accepting donations

to get our shipments there ASAP. We also received a wonderful article in the *Orange County Register* on April 6th that highlighted our work.

For every \$2,000.00 we raise, we have a matching grant to cover the cost of shipping. **Your help has the potential of changing the course of history in that region.** We have sent out 250 appeal letters to Orange County churches to help with this program. Ask your pastor how your church can be involved. Please consider a contribution today!

New Hampshire

New Hampshire Opens!

Arriving in snowy Nashua, Bill Fraker, "Global East's" first operations man must have thought he landed in a strange world. But with the help of our new partners at Grace Outreach International, Bill quickly settled in to the business of opening our new Distribution Center on the East Coast. This wonderful provision of God now allows Global the opportunity to reduce shipping costs by having two coastal regions from which to ship to our many world destinations. The historic first container left for Afghanistan on April 22nd!
